Ipswich Annual Show will be held at the Ipswich Showgrounds from 14th 15th 16th MAY 2021.

The Ipswich Show is one of the largest regional shows in Queensland and this year will be celebrating our 148th Annual Show.

The Members of the Ipswich Show Society thank all our many Corporate Partners, Sponsors, Trophy Donors, and competitors for their valued support. Without your support, and the support from the local and wider community, this event could not continue.

CORPORATE PARTNERS

The President and Members of the Ipswich Show Society thank the Queensland Government for their financial support through the Show Societies Grant Program.

SELECTED FROM CLASSES 30 to 32

While aesthetics are important, good construction is paramount with care taken on add-ons and their treatment. This should then provide a solid base to demonstrate unique and diverse decorating techniques.

- Wheel Thrown
Pieces should show skills in forming the clay
Thickness should be appropriate to the size and design of the piece
All pieces should be footed and finished appropriate to the size of the piece
Add-ons must be seamless and well attached with venting holes cleaned and ...
smoothed where possible
- Slab
All pieces must be well attached with seamless joints
Shape, size and form should influence thickness of the slab construction
Slabs used should have an even thickness throughout except as appropriate
- Coils
Coils used in construction should be even and well attached to each other
At least one surface should be smoothed and finished well with no signs of cracking
- Open
Pieces should show the best qualities of the construction method used

Slip-cast Ceramic

The preparation and cleaning of Greenware will be closely observed. Seamlines should be completely removed, add-ons cleaned including around venting holes, bottom of pieces should not be felted to enable construction to be viewed. Detail should be recurved where possible. Pieces should be bisque-fired to Cones 03 or 04 and glazed-fired to Cones 04 or 05 as minimums. Pieces should be weighted in a good proportion to their size.

- Glazed Finishes Glazed finishes should be smooth and show no surface marks
Dry footing is optional
Application of underglazes will also need to be applied according to the product ... used
- Non-fired Finishes Includes all acrylic oil or other mediums not requiring additional firing
All non-fired finishes should be sealed and show solid decorating skills
Cleaning should be well done with no obvious seamlines visible
- Adapted Includes alteration to existing greenware forms and the addition of other materials ... e.g., clocks, lace-draping etc.

Adapted work should show an understanding of the ways in which different ... mediums and objects can work together

Mechanisms such as clock or music box should be attached well and in ... working order
- Open Includes Decals, Mother of Pearl and other lustres, Gold etc. or any ...
other technique used for decorating slip-cast ceramics

Detail such as placement, correct firing and consistency of application ... will be looked at
- Porcelain and
China Painting Includes all hi fire porcelain fired items decorated with a variety of overglazes

Overall aesthetics and design will be considered along with application ...

Overall

Class

33 CHILDREN'S SECTION (Hand-built Pottery, Glazed work, Non-fired finishes)

In all classes, aesthetics will play an important part alongside of originality and purpose. Inclusive classes will help to recognise the challenges faced by some artists in completing their projects because of the impact of disability, personal circumstance, or other challenges.

CHAMPION JUNIOR CERAMICS to be awarded a Sash and Card
